AS WE MOVE INTO 2016, the last glimmer of hope for America is about to be extinguished unless radical measures are taken.

There are three possible scenarios for America.

FIRST SCENARIO, America can continue its nation-wrecking ways and elect Hillary Clinton as president.

This will mean not only the continuation of Obama’s disastrous administration but an intensification of his policies:

Israel as “preferred” foreign entity; Warmongering around the globe; Demonization of Putin and belligerence toward Russia; Homosexualizing Jewmerica; and Tighter Gun Control Laws.

SECOND SCENARIO, America can continue to be ruled by Jews. The entire political process beginning with local elections is tightly controlled by Jews.

Jewish Lobbies have infiltrated local, regional, state, and federal elections, by sponsoring “pro-Israel,” “pro-Homosexual,” “pro-immigration” candidates, and manipulating public opinion with hundreds of synagogue-linked lobbies and political organizations.

If organized US Jewry doesn’t like a candidate, it puts millions into a shill, and the Jew-owned press (no, it is NOT “corporate”), smears the patriot and ‘sweet-presses’ its shill.

These shills and their Jewish advisors then salt the administration and congressional staff with non-elected Jews.

THIRD SCENARIO, America can stop Jew-control of its politics, culture, and foreign policy.

It can do so by charging all the Jewish Lobbies (they are ALL Israel-Firsters) of violating the Espionage Act of 1918 for providing classified information to a foreign government.

This will not be hard to do in light of the Israel-Jewish Lobby attempted sabotage of the recent Iran Nuclear Agreement on behalf of the Netanyahu government.

Following this, the US government can charge the Jewish Lobbies with violating the Foreign Agent Registration Act of 1938 which requires any organization offering to work on behalf of a foreign government to register as its agent.

Surely, John and Robert Kennedy were assassinated by the Mossad (Jewry’s International Espionage and Assassination Squad) for enforcing the required registration of the American Zionist Council as a foreign agent, later reorganized as AIPAC.

But this is the risk US leaders must take in order to save our country.

More and more Americans are waking up to these Jewish Questions in American politics.

Will it be too little, too late?

Looks like my New Video to usher in 2016 will not be posted until Monday due to a very challenging time with my living situation.

Turns out that I no longer have a lease and the new tenants (a flop house of a bunch of twenty year olds...new ones come in every day) have full use of the house including the car port area outside my front door.

They are living both upstairs AND downstairs now (a totally new situation here.) I have to be VERY careful in my dealings with them since I can get thrown out of here at any time as I don't have a lease any longer.

I am dealing with vans, cars, and trucks pulling in and out with their engines idling right in front of my front door. It's "Grand Central Station" 24/7.

I am dealing with twenty year olds (children in puberty) living throughout the house including this time down stairs and the noise is in stereophonic: Doors slamming, banging, loud talking, stereos playing, loud vibrations through the walls and ceilings.

This often occurs throughout the entire night and continues all day long.

One of the tenants apparently is demon possessed. I asked him politely to move his car with his exhaust pointed at my window and door and he flew into a mad rage, his face turned red, and he threatened to call the police for "harassment."

(This is the new "police call" for these twenty year old children in puberty. The tenants have used this on me before and one of the tenants did call the cops on me a while ago when I asked him to clean up the leaking gasoline coming out of his truck near my front door. Because the charge was "harassment," the police automatically took the kid's side.)

The demon-possessed tenant came out again yesterday and threatened me once again for no reason as I was walking back from my Street Evangelism.

Quite frankly, my nerves are shattered and I am undergoing "soul suffering."

I am spending most of my time now trying to find a new place to live. Please pray that this all comes to an end very soon and that I can CONTINUE my ministry in peace.

NO MORE WARS FOR THE JEWS

January 3, 2016 @ 3:14 am

Don't forget that the JEWS and Bush did 9-11.

They then blamed the Muslims.

All of the BUSH Family are WAR Criminals.

All are part of the JEW World Order.

Puppets of AIPAC and ADL.

4500 TONS of ILLEGAL DEPLETED URANIUM Bombed by the Bushes on the Middle East.

Millions have Cancer and dying.

The Mothers in the Middle East have Deformed Babies.

More than 300, 000 US Marine troops returning from the Middle East have DIED from Depleted Uranium, NO Compensation to their families.

George Bush is already a CONVICTED War Criminal.

The JEWS and George Bush did 9-11.

GUILTY.

100% PROOF SEE VIDEO.

Agreed

January 3, 2016 @ 3:58 am

NO MORE WARS FOR THE JEWS!

No More innocents killed.
No More billions expended to deliver the weapons
That kill all the babies, men and women.

No more violence, no more demonic control
No more color revolutions and immoral vitriol
We don't hate Russia, China, or Iran.

We know Syria has history for all of mankind
We know that the Semitic peoples are being murdered in Palestine
And we know that Holly weird and all news media is owned by the original Jewish clan.

We hear the spewing propaganda that buys the pretty boys and girls who spew the lies, the corruption, the agenda, we are sick of the BS, criminal intentions.

Time to rise up and cut off the shackles

Cut the ties that bind us as sheep
Take off the collar that they put on the cows

Leave their Federal Reserve in a ruinous heap.

CONGRESS will block all efforts to enforce any action that blocks Jewish illegal tactics.

Congress is corrupt. There are no leaders willing to man up, lead and destroy global elites who rule America.

Funny Money rules, at least, for now.

I say within ten years, the people will suffer the Greatest Economic Disaster and may then lose all freedoms.

The Constitution is under assault, people deceived and divided, no leader willing to sacrifice.....

January 3, 2016 @ 5:42 am

Dear Bro,

You have succinctly nailed the situation that lies before us, yet again.

Unfortunately the ignorant masses are kept smugly confident in their stupidity by the all pervasive Zionist media which conflates US misplaced lunatic “patriotism” with support for the murderous Zionists.

Somehow Americans and Jews are portrayed as the victims despite their wholesale industrial slaughter of Arabs (Christian, Muslim and secular) in their own countries.

We are left “Rootin’ for Putin” as the planet’s last hope for justice.

From a distance I am only impressed by one potential presidential candidate in a field of corrupt halfwits..... Bernie Sanders.

Good luck world! The israelis are very BAD losers sitting on 400 thermonuclear weapons of mass destruction courtesy USA, South Africa and UK.

I am not left brimming with confidence.

I see the first two scenarios being the same even if Trump or Bernie win.

And unfortunately I do not see critical mass of Americans working to change -via Scenario Three - the status quo.

Both parties are hopelessly enslaved and work with the media to maintain their control over the electoral system.

And the media work with the government to keep a level of censorship over us so we do not rise up to point out the devil. I wish things were different.

Robert

I remember the days when this garbage with these 20 year olds was unheard of.

Their fathers disciplined them when they smarted off when they were young, and punished them when they got out of line.

And it worked—it is the only thing that works.

It is painful and suffering to live in today’s world, where to stand up for decency and right will land you into jail quick. So that wickedness rules and right is looked at as criminal.

It makes you want to explode.

And God is going to explode!

“For a long time I have kept silent, I have been quiet and held myself back. But now, like a woman in childbirth, I cry out, I gasp and pant: I will destroy and devour at once. I will lay waste the mountains and hills.” Isaiah 42:14

The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again! Isaiah 24:20

And it is all according to the destructive designs of the kabalistic Jews whose father is the devil.

It is already in the cards.

Hilary will be the next President.

Also the Jewish influence will remain strong in the US.

Scenario 1 and 2 will be. Scenario 3 will never be.

Irene Bonney Faulkes

America does not need a Third Awakening.

It would worsen the church and national situation.

The churches that stand with the Republicans in their folly, would become more ensconced in their thralldom to Judaism. They are now positioned as Jesus said: ‘To him who has shall be given’.

Thus their lot and that of their nation would become very much worse. As it is, maybe all hope has gone.

Prayer cannot avail because repentance eludes most of the people.

Trump maybe has out-trumped himself. Is he indeed a shill of sorts?

Some militia men encamped themselves in defiance on a mountain in Oregon yesterday, declaring they would rather die than suffer from the present corrupt Government any longer.

‘Come join us’, they called. Their fate? Who knows.

Also, from afar, one can indeed realize the world is tottering on the brink because so is the U.S.A.

Putin and Russia did seem to be God’s answer of mercy for us all.

If it is so, something of righteousness will prevail for some in the current situation.

If not, may He have mercy upon the millions in both the U.S.A. and more so throughout the world as they en masse are reserved for destruction.

Is it the end?

‘When you see these things come to pass, look up, for your redemption draws nigh’. These words were spoken in regard to the destruction of Jerusalem, A.D.70.

The apocalyptic scenes of Revelation did occur then. Nevertheless, the main body of the budding church of Jerusalem and Judea was saved as they left the city and went to Pella and surrounds.

Is it approaching midnight? Maybe it is and maybe it is not.

What then remains?

‘Pray that you may be counted worthy to escape’.

Lewis

Brother Nathanael, so do you think Trump is a puppet of the Jews too?

I wish otherwise, but I know how these things go.

Also, what do you think of UK Independence Party Leader Nigel Farage in Britain?

The Zionist’s control of The US Fed. Res. Bank MUST be addressed FIRST.

For as long as they control it, they control OUR US Military’s pay, and in doing that achieve a manipulative foot hole in foreign relations/affairs while hiding behind U.S. gullible goys/CHRIST-ians, who will no doubt be thrown in to war to serve their evil Jewry control!

This is a fact that they have already accepted and prepared for by robbing US of OUR FT. Knox Gold.

When we finally break evil Jewry’s chains, and we will, we will find that we are bankrupt as the evil Synagogue Of Satan rings the keys to OUR Nation around it’s evil finger with a sarcastic pouting look on their ugly faces!

Eventually Pisreal will be attacked from all fronts in response and acknowledgement of this devious usurping of America. Zionist Jews, the Devils minions/Satan will succeed in destroying GOD’s Holy Land!

So long as Jews are creating misery somewhere in the world - they are content!

Wake Up! Take A Stand!

When GOD is with you - who can stand against you?

Hillary will not win. The corrupted Congress made a pack to elect each side for two terms.

Now is the Republican turn, either Ted Cruz or Trump will take the next 8 years.

Man you and everyone really needs to study and hear The Great! Jiddu Krishnamurati!

There is no politics with out Jews involved, there is no money with out Jews involved that is the way it was set up and it’s not changing.

If we look at the Political Landscape and see what is what for the future we can only hope that the Lesser Evil’s Succeeds some how.

He is already against a lot of their agenda, even as Mossad stands in the shadows waiting. There already not satisfied with him.

There is no magic wand that gives Wisdom and Control to a person because they have become President.

No one created a system that will allow a group of people to change there system. As it is right now if Trump becomes president a lot of damage would be undone. yes of course it will still be under Jewish Control but it will be a stronger America with class like the America of the 50’s and so on.

Putin would welcome Trump and the two could with BRICS fix a lot in the world. The soft language can go the political correct can go, these things are a war on your Mind! Along with the sexual gender crap and gay issues. The Racist War on Whites can also go.

And of course Jews are behind it. But behind it all is the Rothschilds. There is no point in history where the Control has been handed over to someone else. The Oil is Controlled by the Rothschilds the Crown Banking Family.

The Shadow gov of the CIA is what needs to change. The Pentagon is a Giant Satanic Organization created with the same Players that Created WWI and WW2.

CIA is a Mask of the Mossad, British Intelligence, and others.

The Future of America would need to Bond with Russia and BRICS and expose Israel, in doing so though Exposes the Crown of England, the House of Saud, Turkey, Qatar....like I said Oil.

I can’t see any president exposing Israel (but how about Palestine doing it). Of course Trump knows the Truth, Putin knows everything as well. To be a leader you have to be Subtle and

position your words as well as your country (On the Great Stage)

Be Positive People! Positive Energy moves even the Heavens!

Great article once again, Brother Nathanael!

Most Americans are good people but the majority in the U.S. tend to be very naive, insular and anti-intellectual.

I honestly don’t think they will ever act and do what it is necessary unless there is some kind of terrible economic calamity like what Germany experienced in the Weimar days. Then the Germans were forced to act and support Hitler and the National Socialists, or starve or be killed by the Jewish Bolsheviks.

The average American just doesn’t get it in regards to the Jewish question. Even though there is a vast awakening happening, the Jews are able to keep it in check by cleverly deflecting attention to other bogeymen - ISIS, “radical Islam, “corporate elites”, “the military-industrial complex,” Congress, Obama, etc.

I think it will be up to the U.S. military to act if we’re ever going to see any kind of genuine revolt. Perhaps they are already reading your articles?

Scenario 4: Trump is elected, but won’t be able to accomplish anything.

The Supreme Court and Congress will be against him. In other words a Trump election would be a small victory.

Sorry, dear Beother, to hear about the 20 year old adults going through puberty.

This didn’t happen a generation ago.

Unfortunately the Jewish controlled media tells us rebellion to parents is good. Divorce has ruined families so fathers aren’t in their son’s lives.

You don’t dare spank your kid or grab him by the shirt collar and push him against the door if he’s discovered to have cigarettes in his backpack or alcohol in his closet. The police will be called and guess who goes to jail.

Then what? Rebellious kid with no discipline from daddy gets discipline from the prison system.

A poor economy and little incentive to grow up doesn’t help, either.

And daughters? Good luck raising them into marriageable wives. Most of them are foul mouthed, fat, tattooed and think they’re beautiful. Everyone’s special and full of pride.

Keep your head up, Brother Nathanael. The pride of the people of this nation (possibly Mystery Babylon) will BE broken.

Dear Brother Nathanael,

As God is my witness, if any Ziofacist son of Satan ever lays so much as a finger on you, my boys will be put into an emergency state the likes of which you couldn’t begin to comprehend.

My boys are all ex-US military who I’ve taken under my wing to personally train.

We’re just waiting for the perfect excuse to avenge the USS Liberty. How ’bout storming the headquarters of AIPAC for starters!

Asked if he, as president, would say no spying on Israeli officials at all, Trump said he would not rule out spying on Israeli officials if that helped make the United States “great”.

Pretty funny article here from the Jew press in Israel. They are apparently concerned about comments Donald Trump recently made about how he would spy on Israel if it would help make America great.

Not sure why the Jews have their panties in a bunch. It is official Israeli policy to spy on the United States. Has been for many years now.

Trump: Spying on allies? I’m open to the possibility

Trump responds to report that Obama spied on Netanyahu, says he wouldn’t rule that out if it make the United States great.

@Hoff

This is NOT true that Trump would “not rule out spying on Israeli officials,” this is NOT what he said at all.

Here is what Trump said when the interviewer asked him to comment on the WSJ Article regarding Obama giving the order to spy on Israel vis a vis the Iran talks:

“I would certainly not want to do it, but I have to say this: We’re being spied on by everybody. I would say that I would leave open possibilities of doing whatever it takes to make our country very, very strong and to make our country great again.”

I am a stickler for facts and fact is, we cannot look for gold where only platinum exists. +bn

Another FALSE Headline Making The Rounds

“Putin Say US Is Threat To Russia.”

Putin NEVER said this as far as I know. He is too smart for that.

He DID say that “NATO was a threat to Russia” as he has been saying since his presidency in 2000.

I comb through headlines very carefully first to see what the agenda is and then to see if it’s factual.

Please know that here on Real Jew News you will GET THE FACTS. +bn
